

Present

**You are invited to participate in the
Third Annual EARTH Round-Up!**

Earth Round-Up is Blount County's premier Earth Day Celebration. The Third Annual ERU will return to the Maryville College campus on Saturday, April 24, 2010. Sponsored by the Blount County Chamber and Maryville College, ERU is also a partnership with several organizations including Keep Blount Beautiful, Little River Watershed Association, Blount County Children's Advocacy Center and the Maryville Arts Coalition. The evening festivities will include music, food, educational information about water and land conservation and business booths associated with helping our environment. There will also be activities for children and a silent auction. Door Prizes will be given away throughout the event. Come help us show the community how to best preserve our Blount County air, water and land resources!
